# Field Day 2021

## Things that went well:

Weather was perfect.

Many visitors on Saturday.  
Several were learning CW.

Digital station was very productive.

New mast for Phone.

VHF stations were productive.

CW station OCF Vertical  
worked better than expected.

Shared generator provided by WB6RJH.

No foxtail weeds at site.

## Things that did not go well:

CW & Phone suffered severe in-band  
QRM from Digital station.

Clouds of small flies on Saturday night.

Poor computer logging for VHF & SAT.

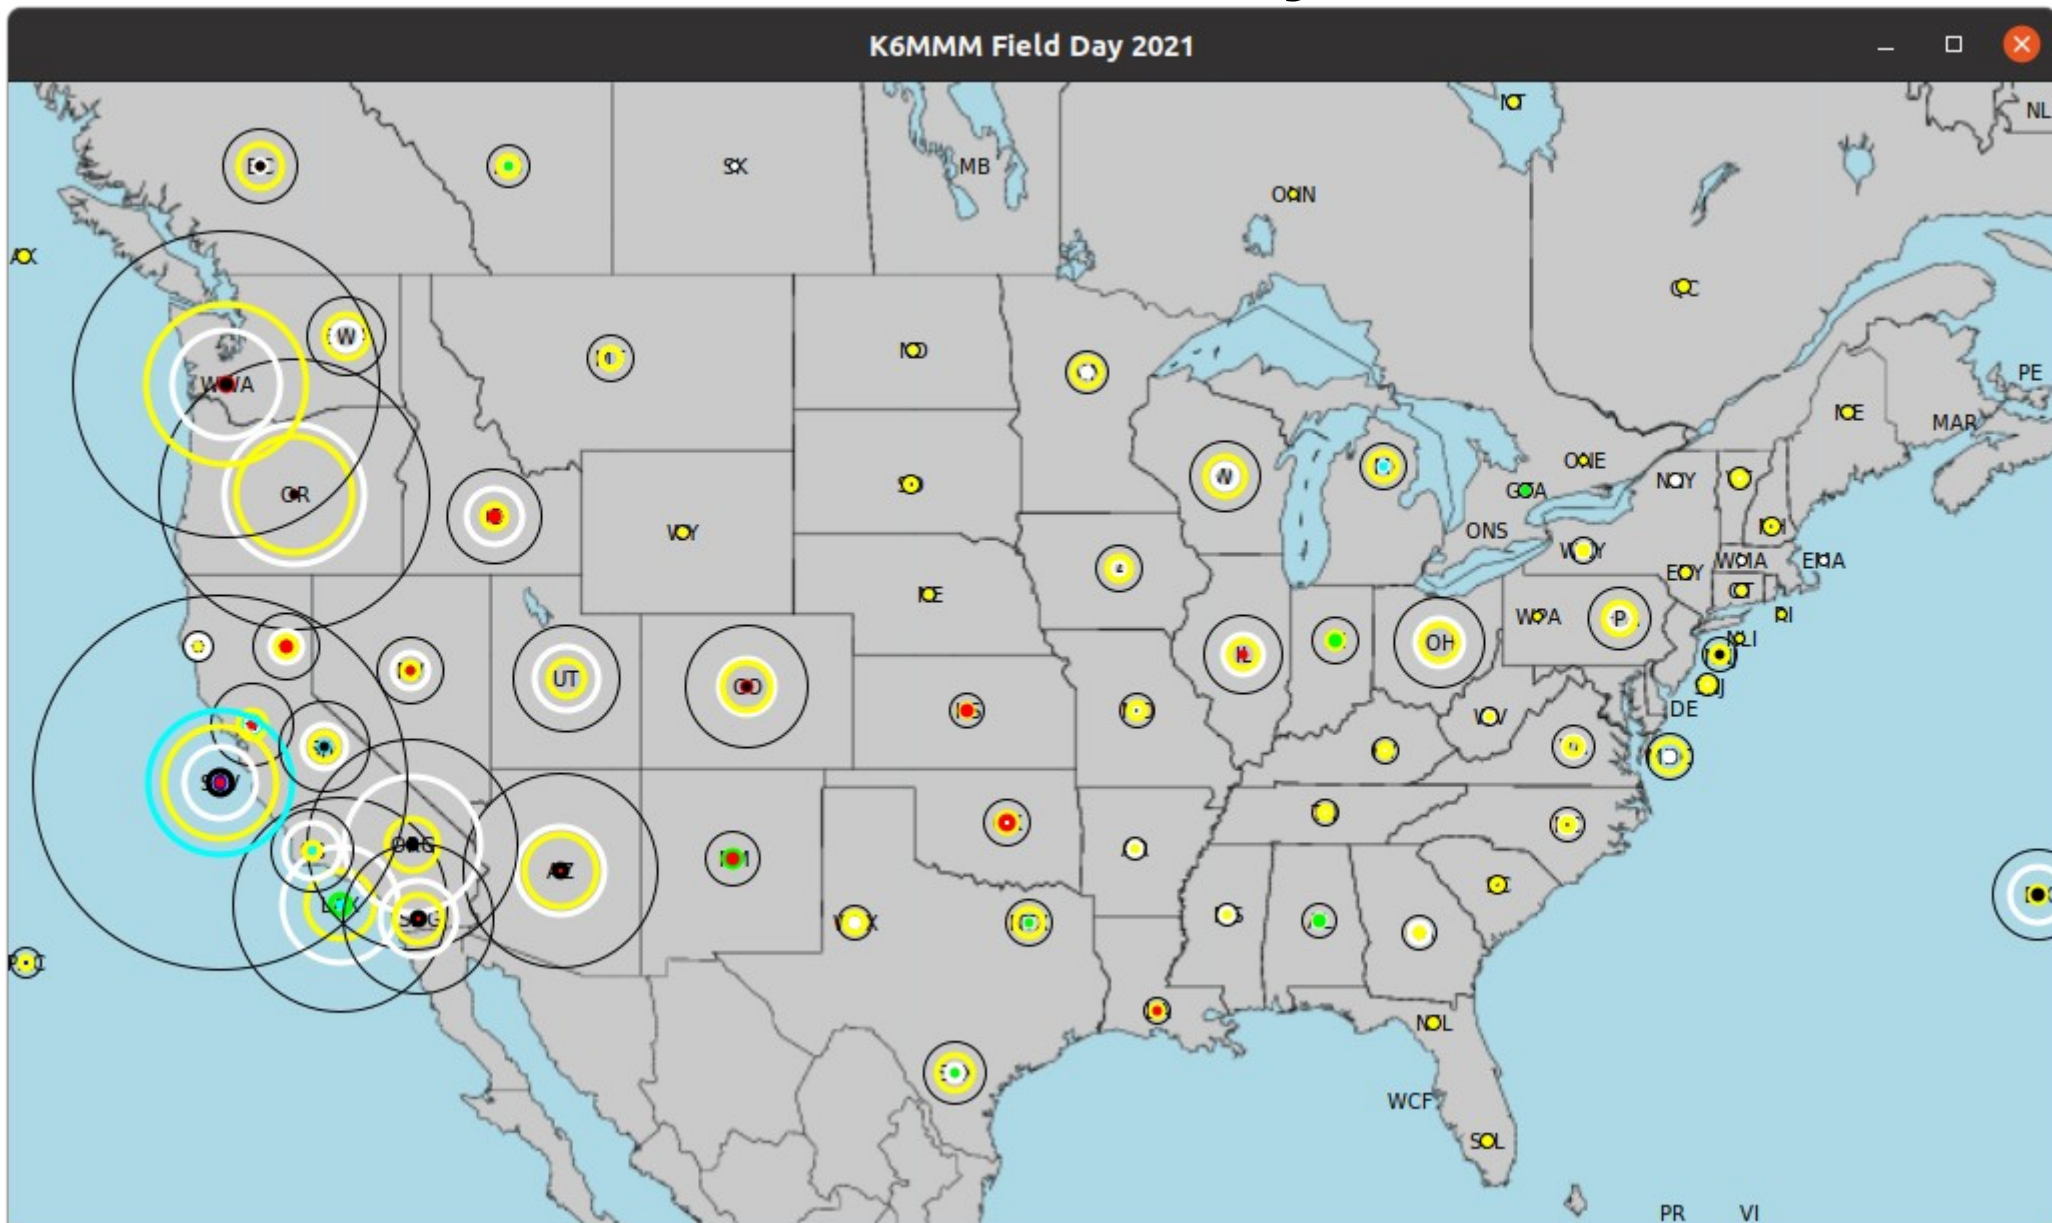

CW OCF Vertical did not play on 15m.

15M was not productive.

CW did not stay up late for 40m Saturday.
